

CDT Routh, Zoe V.

CDT Routh is from Woodward, OK and is currently pursuing a Bachelors of Science in Human Health & Biology, on a Pre-Medical route at the University of Oklahoma. She has the goal of attending the University of Oklahoma's medical school and specializing in orthopedic surgery. She is a member of multiple clubs on campus and holds several leadership positions. She is the Vice Chair for Young Americans for Freedom. She is the co-founder of the Delight ministries chapter on OU's campus, and the social media chair for Delight ministries. Routh also volunteers frequently at Food & Shelter Inc. in Norman. During her Junior year of college, Routh was invited to assist with research at the Stephenson Research and Technology center, where she continues to assist Dr. Kemp in the laboratory. Her research focuses on extracting and sequencing the DNA of fish that lived in the Pacific ocean 300 years ago in order to understand their migration patterns. Aside from her involvement on campus, Routh has several hobbies. She enjoys playing tennis, going to the gym, watching football games, and spending time with her friends and family. On top of her extra curricular activities, Routh excels academically. She has been on the Deans Honor Roll list multiple times throughout college and has maintained above a 3.5 cumulative gpa as a STEM major. Her scholastic achievements has helped her earn the Dodge Family College of Arts and Sciences scholarship. Cadet Routh is currently the PAO for the Army ROTC Battalion. Since becoming the PAO, the OU Army ROTC Instagram account has grown in following by over 300% and has gained nationwide recognition from Commanding General Munera from Army Cadet Command, as well as the Army ROTC instagram that has over 68 thousand followers. This social media activity has shown off the talents and hard work of the many cadets in the program and has aided in recruiting more cadets into our program.

Her civilian education includes: A high school diploma, recognition as valedictorian from Woodward High school (Woodward, OK). A certified nursing assistant certification from High Plains Technology center (Woodward, OK). University of Oklahoma Athletic Training camp (Norman, OK). Certified by the U.S. Law and Shield to care for gunshot wounds (Woodward, OK).

Her military education includes: Cadet Summer Training (CST), Cadet Troop Leader Training (CTLT), and Combat Life Savers Training (CLS).

Her ROTC awards include: The Mulva Family scholarship, American Legion Post 88 Medal, Alison Smith Overbay Scholarship, Campus based Army ROTC 2 year scholarship, and the Daughters of Founders and Patriots of America award, and most recently, the Col. Ed Ramsey scholarship.
